

Hi Clement,

As development cycles shrink and market demands intensify, can Double Edge Technologies keep pace? On **12-13 March 2025**, [\*\*DevOps Live London\*\*](https://devopslive.co.uk) becomes the epicenter of DevOps collaboration.

Over the **2 days**, discover a huge **range of world-leading suppliers** and **gain immediate, tailored advice** that fits your needs - saving you weeks of research and emails.

Join the **UK's leading** gathering where pioneering solution providers will showcase various development tools to unlock your infinite potential...

[BROWSE THEIR STANDS](#)

[ADD TO CALENDAR](#)

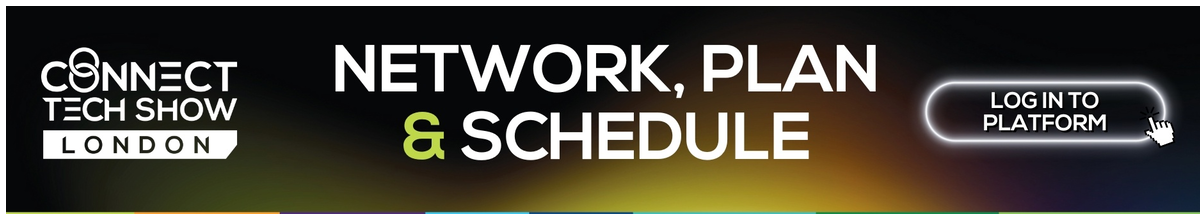

Engage in one-to-one conversations where you can bring your toughest challenges to the table and leave with actionable strategies.

Only 3 weeks remain until doors open. [Mark your calendar](#) today to transform your DevOps posture.

Best regards,

**The DevOps Live Team**

**P.S.** [Book your meetings](#) with **Connect at Tech Show London** to guarantee your time with the industry's top players.
